

Account Activation – Customer Present Job Aid

Summary

This Job Aid covers:

[Introduction](#)

[Customer Agreement – Customer Signer](#)

[Email Account Setup](#)

This Job Aid supports the Viasat Retail (Fulfillment and Dealer) Technician audiences.

Introduction

This Job Aid provides steps the Customer and the Technician must follow for the Account Setup and Customer Agreement process for the **residential** service. It is the Technicians responsibility to help the Customer understand that Account Setup is important because:

- All billing statements and ViaSat contacts are directed at the Account's Contact email.
- Access to Data Usage is only available to the customer if the Account is set up.

Note: If an Authorized Signer is present (instead of the Customer), follow the procedure in the *Service Account Activation – Authorized Signer – Job Aid*.

This process begins in the Install Portal (Provisioning system) after the Quality of Installation (QOI) process registers all green LED values. The browser refreshes to show the New Customer Account Setup page.

Customer Agreement – Customer Signer

E. Termination Fee: If you cancel the Internet Service (resulting in termination of this Agreement) before completion of any applicable Minimum Service Term or Renewal Service Term, the Termination Fee is equal to the number of months left in your Minimum Service Term or Renewal Service Term multiplied by \$15.00 unless a different termination fee is stated in this Agreement for your Internet Service plan.

If you purchased your Equipment, you are not required to return the Equipment upon termination of this Agreement. In any event, Viasat is not obligated to de-install the Equipment.

G.
