

esvt Updates

To login into esvt, navigate to <https://esvt.viasat.com/>. Use your SSO login to access the site.

1. When searching for a US Residential customer in eSVT, select US for the Country drop-down.
2. Select the appropriate Search Type from the drop-down.
 1. When searching by MAC, this can be in upper or lower case and the colons (:) are optional.
 2. When searching by Phone Number, you must enter the number 1 for the US country code before the rest of the phone number. It must only contain numbers and no (-)

3. Click the Search icon or press enter.
