

Office Hours Disclosures

Office Hours is an optional add-on service to U.S. residential plans that lets customers use popular business applications like email, video conferencing, file transfers, and more from 8am to 5pm local time daily without using all their plan data. Office Hours is an additional \$40 per month (excluding taxes).

Office Hours includes applications that meet one of the following categories of internet content: web browsing and web-based tools (e.g., Google, Microsoft Office 365, Adobe Creative Suite), bulk transfers (e.g., Dropbox, SharePoint), real-time communications (e.g., Zoom, Slack, Microsoft Teams), network storage (e.g., iDrive, SharePoint), social networking (excluding embedded streaming videos), VPN, and email. Not all internet traffic sources are identifiable and available to benefit from Office Hours. Office Hours does not include video streaming, real-time entertainment, peer-to-peer networking, gaming, and any other categories of internet content not specifically stated above. Office Hours is available 8:00 am to 5:00 pm local time, daily. Available time may vary by location. For additional details, visit <https://vsat.co/officehoursfaq>. Office Hours is not available on CAFII Service plans.
