

Tech Bulletin: eGuide Tech Talk for May 2020

COVID-19 precautions for technicians

Hello,

In May's Tech Talk, we are providing some tips and tricks to help you during your installations and service calls while dealing with the COVID-19 pandemic.

Watch the video here:

These tips will help you and your customers remain safe while making sure your work orders are performed quickly, efficiently, and correctly.

You can also watch this video at any time, and find other job aids and videos on the eGuide: <https://eguide.field.viasat.com/>.

If you have any questions, please email the eGuide team at field.questions@viasat.com.
