New Tech Talk video: Find the Flaw – Part 2

Hello,

We asked and you answered! The Viasat Tech Talk team was blown away by the number of responses and quality of the answers you provided for our Find the Flaw video! We would like to thank everyone that participated and took the time to write us.

In this new Tech Talk, we will announce the winners. We had a lot of great responses, but these guys found the most flaws and we want to give them a big shout out.
