

Tech Bulletin: Viasat Tech Tools – All In!

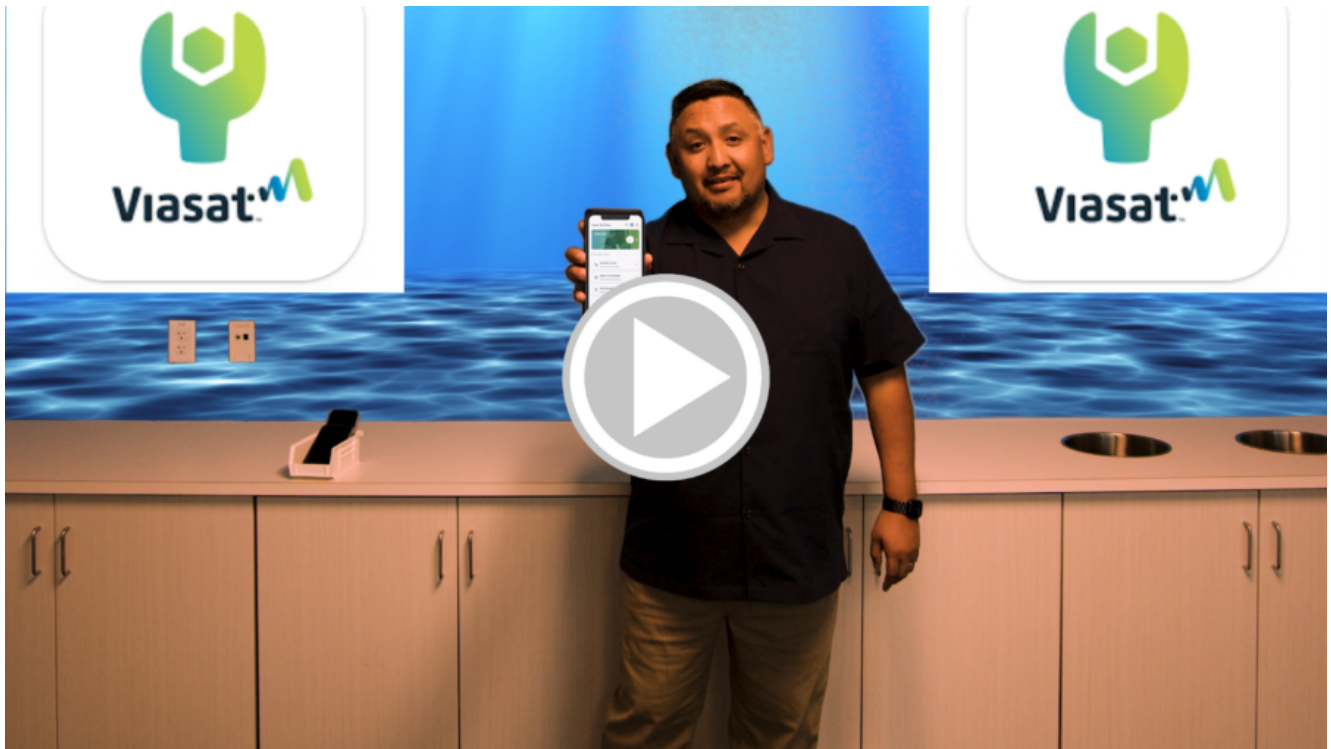

Viasat Tech Tools – All In!

Hello,

We're thrilled to announce the full release of the **Viasat Tech Tools app (VTT)**! This all-in-one solution empowers technicians to complete all their tasks with a single, user-friendly app, maximizing efficiency and minimizing hassle.

Watch this video to learn more:

Introducing the upgraded Viasat Tech Tools app – Streamlining your workflow!

Say goodbye to juggling multiple apps! With VTT, you can:

- **Effortlessly close service calls** – VTT now handles **all work order types**, including seamless service call closer. *FSM Lite is a thing of the past.*
- **Snap and upload photos in a flash!** – Capture high-quality photos and upload them directly within VTT in seconds. No need to switch between apps anymore.

VTT is designed to simplify your workday and empower you to focus on what matters most – delivering exceptional service.

Stay tuned for more updates on additional features coming soon!

Please be sure to update your app to the latest version via the App Store or Google Play.
