## Viasat Voice

Viasat Voice is a feature-packed, reliable, and affordable home phone service offered to Viasat Internet customers.

**\$35**

**per month**

\$10 off for the first 3 months

### Viasat Voice features:

- › Unlimited local and long-distance calling to all 50 states and Canada.
  - Calls to other countries will incur additional charges. To see international calling rates, click [here](#).
  - In most cases, keep your existing phone number or choose a new one.
- › Viasat Voice calls don't count towards your monthly data usage — talk as much as you want!
- › Reliable service in areas that don't have reliable cell coverage.
- › Viasat Voice has E911 services, which instantly provides emergency services with the caller's service location even if they cannot provide it themselves.
- › Call screening
  - Block calls from anonymous callers, 800 numbers, or specific phone numbers, or send them straight to voicemail.
- › Call handling
  - Do Not Disturb — Automatically sends all calls to voicemail. Create a schedule to automatically turn on Do Not Disturb on certain days or during specific times of day (i.e., send all calls to voicemail during dinner).
  - Call Forwarding — Forward all of your calls to another phone number. Create a schedule to forward all calls on certain days or during specific times of day.
  - Simultaneous Ring — Choose one or more phone numbers you'd like to ring in addition to your home phone when a call comes in. The first phone to pick up will take the call. Create a schedule to simultaneously ring your additional phone numbers on certain days or during specific times of day.
  - Find Me Follow Me — If a call to your home phone goes unanswered, automatically send it to another phone number. If the call still goes unanswered, send it to another phone number, and so on. Create a schedule so that Find Me Follow Me is only enabled on certain days or during specific times of day.
  - Call Waiting — Allows user to accept a second incoming call by placing the in-progress call on hold.
- › Caller ID
- › Voicemail
  - Access your voicemail remotely from any phone.
  - Forward voicemail messages to your email. Messages will be sent as an MP3 file to your email or multiple email addresses.

Viasat Voice requires an active Viasat internet service account unless you are on the CAF II Voice-Only Connection service plan. You will receive a savings of \$10 per month on your Voice bill for the first three months of services, provided you continue to receive both the Viasat Internet and Voice services. Your monthly service fees and any other fees you incur plus applicable taxes, E911 and other regulatory fees are automatically charged to your payment method on file. You will be billed separately for calls you make to destinations outside of the fifty United States, the District of Columbia and Canada and for directory assistance calls. If you incur more than \$200 in Voice toll charges in a billing period, we may charge them prior to the end of your billing cycle to your payment method on file. In order for your 911 calls to be properly directed to emergency services, Viasat must have the address on file where the Voice equipment is located. Please note the service address you provide today is the address to which emergency services will be directed when you call 911. Your Voice service comes with a month-to-month service term, which you may cancel at any time without an early termination fee. Voice may not work well with fax machines, security systems or other analog data services and devices.

EasyCare - \*Sign up within 30 days of your Viasat Internet service installation to receive this offer. Cancellation of EasyCare within 90 days after purchase may result in charges for EasyCare services previously received. Re-enrollment in EasyCare may be restricted for up to 180 days after cancellation. EasyCare features are subject to the terms and conditions of the Viasat EasyCare Plan Addendum to your Customer Agreement.

EasyCare+ is provided by Asurion Warranty Services, Inc. and EasyCare Premium is provided by Asurion Technology Services, Inc., and both are subject to its terms of service and terms and conditions, respectively. Enrollment in EasyCare+ or EasyCare Premium is optional and will continue to renew each month until cancelled. Your monthly charge for EasyCare+ or EasyCare Premium is billed by and paid to Viasat. EasyCare+ technical support starts upon enrollment. EasyCare Premium coverage is not effective until 31 days after your plan term begins, and additional service fees may apply per claim for covered products. Per claim and aggregate limits apply. Offer not available in all areas. EasyCare Premium Accidental Damage from Handling applies to damage as a result of normal use for laptops, tablets, wearables, and printer display screens only.
